

Cable High Speed HDMI with Ethernet extension male / female 2 m

Description

This High Speed HDMI with Ethernet extension cable by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio-/video- and Ethernet connection. The cable extends your HDMI interface and can be used for connection of devices e.g. PC or a DVD/Blu-ray drive to a monitor or TV. The HDMI-A interface is downwards compatible to its forerunners and enables you to use your existing devices.
